

DECLARATION OF FACTS IN SUPPORT OF FILING ON BEHALF OF  
OMITTED INVENTORS

This declaration is made as to the exact facts that are relied upon to establish the diligent effort made to secure the execution of the declaration by the omitted inventors for the above-mentioned patent application before deposit thereof in the Patent and Trademark Office.

This declaration is being made by the available person having first-hand knowledge of the facts recited therein.

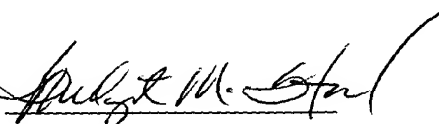

An application for this patent case was filed in the PCT on August 4, 1998 under No. PCT/US98/16127. Markus W. Altmann, Earl D. Brock, Bruno Hubesch, Robert Mermelstein, Marjorie Mossman Peffly, Peter M. Torgerson, Christian Leo Marie Vermote and Ricky Ah-Man Woo, all employees, at that time, of The Procter & Gamble Company and Procter & Gamble Eurocor, being the inventors of the patent application entitled "Wrinkle Reducing Composition". On January 22, 2001 a U.S. Assignment as well as a Declaration combined with Power of Attorney were prepared to obtain the signature of all inventors. At such time, however, one of the said inventors, namely Earl D. Brock, had terminated his employment with The Procter & Gamble Company.

**DETAILS OF EFFORTS TO REACH OMITTED INVENTORS**

*On May 4, 2001, both documents (U.S. Assignment and Declaration combined with Power of Attorney), along with a copy of the specification and amendment to the specification of the application, were sent, by Bridget M. Strobl via Fed-Ex courier, to Mr. Brock for his signature. This shipment was returned as undelivered. At such time Bridget M. Strobl was informed from another employee of Procter & Gamble that Mr. Brock had relocated to Kimberly, Wisconsin and was provided with the new address for Mr. Brock along with a telephone number. Bridget M. Strobl both e-mailed and telephoned Mr. Brock, leaving a voice-mail message, that documents were being forwarded to his Kimberly, Wisconsin address and requesting his cooperation in executing said documents. Mr. Brock returned the telephone call, leaving a voice-mail message in the office of Bridget M. Strobl, confirming*

receipt of the voice mail message, his relocated residence address and indicating his willingness to cooperate and sign the documents as requested. A second shipment, containing the same said documents and papers, was then sent to Mr. Brock, at 645 Highview Lane, Kimberly, Wisconsin 54136, via Fed-Ex courier on May 17, 2001. The said documents have not, to the date of this affidavit, been returned by Mr. Brock. In the interim, Bridget M. Strobl has made several attempts at contacting Mr. Brock, by both telephone (leaving detailed voice-mail messages) and e-mail, but has received no response whatsoever.

I hereby declare that all statement made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that willful false statements may jeopardize the validity of the application or any patent issued thereon.

On January 22, 2001 an U.S. Assignment as well as a Declaration combined with Power of Attorney were prepared to obtain the signature of all inventors but one of the inventors, Christian Leo Marie Vermote, had left the company.

**DETAILS OF EFFORTS TO REACH OMITTED INVENTORS**

*On February 15, 2001, both documents (U.S. Assignment and Declaration combined with Power of Attorney were sent by to Mr. Vermote for his signature. A first reminder was sent on March 30, 2001 without success. Having received no answer, I phoned him and was told by his wife? that they had moved. Their new address and a positive answer (that he will sign and return the documents) were given to me. A second reminder (registered letter) to his new address was sent April 25, 2001 but the papers have not been returned. (Several attempts to have him signed papers regarding other cases remained also unsuccessful).*
